SOMERLEYTON PRIMARY SCHOOL

For further information see the local Authority offer via School Info Link

Can this school meet my child's needs?

We cater for every child's needs on an individual basis this includes supporting in the following ways:

Speech, Language and Communication
Literacy and Numeracy
Social, mental and emotional health that may affect behaviours
Sensory and/ or Physical (including Vision & Hearing)
Strong links with local high schools to manage transition
Medical
Implementing EHCP
Individual needs addressed through weekly lesson planning

What types of special needs support are available for my child in school?

*Class teacher input through targeted high quality teaching

*1 to 1 interventions which may be run by outside agencies for example Ashley Outreach and speech and language therapy and/or trained school staff.

* Individual education plan with progress targets agreed with child, parents and school, (this is reviewed regularly).

* Short term interventions for literacy and maths
